**Date** 31/10/2022

**TotalEnergies**

Our independent assurance report was created by Deloitte and assures whether the renewable electricity supplied by TotalEnergies under our Pure Green product is backed by relevant Renewable Energy Guarantee of Origin (REGO) certificates from solar, wind, tidal and hydroelectric generation sources. This means that your electricity usage can be reported as zero carbon under a market-based emissions reporting approach in accordance with Greenhouse Gas Protocol Scope 2 Reporting Guidance.
